

Torridon Junior School

ADMISSIONS

The majority of pupils attending Torridon Junior School have transferred to us from Year 2 of Torridon Infants. If your child attends Torridon Infant School they are automatically enrolled into Torridon Juniors - there is no need to re-apply. However, parents are free to choose a school for their child to attend and are not obliged to transfer from the infants to the juniors.

Our admission arrangements are centralised and organised by the local authority. If your child already attends a junior school or is due to transfer to a junior school and you would like to apply for a place in Torridon Juniors, please contact the School Admissions Team, 3rd Floor, Laurence House, 1 Catford Road, SE6 4RU (Tel: 020-8314-8282) for advice and information. Application forms for in-year admissions or transfers are available from the Junior School office or the School Admissions Team.

We welcome visits. If you would like to visit our school with a view to sending your child here, please telephone the school office to arrange a date and time. We recommend arranging visits during the school day, when the children are in school, so that your experience is a true reflection of a typical school day.

We look forward to meeting you.
